

00:12:59 Angelika Heurich: Hi from Anaiwan lands - Uralla, NSW

00:13:26 Mark Simpson: Thanks, Eb. More than happy to join you again. Mark in Tumbarumba

00:13:27 David Bell: hello from Birchip in the Mallee

00:13:33 Robyn Thurston: Greetings from Wiradjuri country, Wagga Wagga.

00:13:37 Robynne Burchell: Good afternoon from the unceded lands of the Ngarigo people. And congratulations to Ben and Sarah on the occasion of their marriage. May it be long and happy

00:14:02 Marion Gevers: Hi from Awabakal and Worimi country in Newcastle NSW.

00:14:08 Elizabeth Attard: Greetings from Melbourne.

00:14:12 Leonora RITTER: Greetings from Wiradjuri country.

00:14:21 Les Winton: Hi everyone from sort-of sunny Sydney

00:14:52 Keith Johnson: Keith Johnson, Hi from Western Australia.

00:14:54 Julie Grint: Hello from Melbourne/Wiradjuri country

00:14:54 Anne Heard: Hi from Quandamooka country Qld

00:15:03 Claire Bettington: Greetings from Gadigal land - Maroubra in Sydney

00:15:08 Remy Shergill: Hi from Wurundjeri country

00:15:08 Angelika Heurich: Medicare cuts have been happening and continue to... so perhaps not simply a "scare campaign"

00:15:53 Jo Barkworth: Afternoon all from my forced-into-office location in Brisbane/Meanjin (& guess who tried to join yesterday?!)

00:16:22 Julie Grint: Royal stuff up by Morrison and his Morons

00:16:30 Alistair McCulloch: In Adelaide and hoping someone can provide me with a reason or two to cheer up after one of the most miserable first week of a campaign I think I can remember (and I've seen a few!) 😊

00:16:30 Leonora RITTER: Agree with Angela. Dismissing Medicare cuts as scare campaign denies the reality of what this Government has been surreptitiously cutting over the last 3 years

00:18:15 Julie Grint: You cannot ignore your "Pacific family", cut aid to them and laugh at them drowning as sea levels rise and expect them to say thank you more please Sir.

00:18:16 Claire Bettington: All I can do is LAUGH!

00:18:50 Brendan Mahony: The MSM consensus is to use false equivalence of "scare" campaign label.

00:18:57 Maxine Cadzow: Or CRY..

00:19:16 David Bell: Yes we recall Dutton laughing about the pacific islands drowning

- 00:19:32 Julie Grint: Submarine build has been promised to SA by the Libs at how many elections now?
- 00:19:43 Elizabeth robinson: Sovereignty is important. It was important for Ukraine!
- 00:19:56 Colin Roberts: Cronulla would nearly be under water as well.
- 00:20:33 Debra Mewett: He didn't answer that one, because he got a two part question and took the second
- 00:20:33 Colin Roberts: Pacific - Morrison in Hawaii again
- 00:20:35 Steve Blume: It's OK - the PM sent the Minister for the Pacific, who allowed the Samoan situation to develop, Zed Seselja, to fix it! Surely that's sufficient.
- 00:20:58 Philip Marchionni: labor at \$1.70
- 00:21:04 Julie Grint: The USA is sending a senior Dept of State Official
- 00:21:18 Colin Roberts: Considering the way we treat their workers who come here it's understandable
- 00:21:40 Philip Marchionni: coalition at \$2.10. follow the money
- 00:21:42 Maxine Cadzow: How badly we need tea experts in foreign policy management
- 00:22:16 Robert Calvert: Seselja let this develop again Morrison and co: too little to late
- 00:22:46 Adrian Burn: Imagine what sections of the msm would say if this development had happened under a Labor govt
- 00:24:53 Steve Blume: Betting markets participants are >70% male. Female vote for LNP in 2019 was lowest ever. Do we think women see improvements in the last 3 years? Women & those under 40 will decide this election. Amd not in favour of the PM.
- 00:25:59 Cate Cooper: I'm just so impressed by the new voter registrations on Monday. 214 thousand!
- 00:26:03 Sue Masters: I am woman and I have seen any improvements in a decade.
- 00:26:18 Angelika Heurich: Agree, Cate
- 00:26:55 Tony Miller: Lots of ammo for Labor/Green/City independents to get Morrison on.
- 00:27:07 Paul Riordan: How does the undecided gender split compare w past elections
- 00:27:15 Cate Cooper: But I'm disappointed that the leaders debate will be aired on Sky tonight, and not on the ABC
- 00:27:51 Angelika Heurich: Tonights leaders debate "allegedly" has undecided voters in the audience... so let's see what they add to this.
- 00:27:52 Alistair McCulloch: @Cate. Totally agree.
- 00:28:29 Elizabeth Attard: Cate same here!

- 00:28:34 Mal Padgett: I'm gobsmacked that so many women are undecided on Albo? Didn't that Womens Weekly shoot go viral?? Maybe that onion a white shirt with the sleeves rolled up should be the official Labor poster? 😂
- 00:28:40 Alan Coligado: Surprised that the percentage of females against Morrison isn't higher.
- 00:28:58 Cate Cooper: Me too Alan!
- 00:29:02 Yvette Skinner: Are the viewer on sky news more predominately male ? (Have never watched sky so have no idea)
- 00:29:10 Les Winton: I don't know how to get Sky on my TV, any clues welcome?
- 00:29:30 Yvette Skinner: Agree Alan
- 00:29:35 Jo Barkworth: The host claimed well researched undecided voters, and allegedly questions not known by participants in advance....but yes, who wil watch it?.
- 00:29:36 Julie Grint: Albo needs to have more women with him when making announcements. Tanya Plibersek, Senator Wong, Kristina Keneally, Sen Katy Gallagher, Linda Burney and others should be present at appropriate announcements & pressers.
- 00:29:44 HEATHER KJOLLER: Sky = pay TV in metro Free to air in regions??
- 00:29:59 Cate Cooper: Maybe that's the point. Air it on a right wing channel
- 00:30:07 Neil Herbert: @Julie - agree!
- 00:30:21 Angelika Heurich: That's correct, Heather... via Channel 10
- 00:30:34 Cate Cooper: Agree Julie
- 00:30:47 Julie Grint: Morrison has pissed of a lot of women with his bullying & misogyny
- 00:30:48 Russell Johnstone: So, no accident that most of the independents are female.....Just stating the obvious, sorry.
- 00:31:01 Robert Calvert: agree Julie .....but would rather see Tanya as Labor Leader
- 00:31:06 Les Winton: Oh dear, I don't have pay TV, I refuse to pay for poo.
- 00:31:10 Cate Cooper: Sorry, not sorry Russell!
- 00:31:28 Bill O'Connell: Albo needs to have policy experts with him at pressers ... every time!!!!
- 00:31:59 Michael Cowan:I understand the debate tonight is a "town hall" with "undecided" voters putting the questions to the leaders.
- 00:32:03 Cate Cooper: Are you surprised that Labor doesn't have a female leader when you think about what happened to Julia Gillard
- 00:32:09 Sarah Julien: sky will probably put it on utube
- 00:32:35 Alan Coligado: I wonder if indecision really means indifference/disengagement.
- 00:32:44 Angelika Heurich: Yep, only 2 men standing for voices groups so far Russell

- 00:32:51 Cate Cooper: I'd put money on that Alan
- 00:34:01 Russell Johnstone: I have a capable 23 yo daughter who once dreamed of a working to improve the world in politics....could not be less interested now.
- 00:34:18 Russell Johnstone: Less!
- 00:34:43 Cate Cooper: It's really not an appealing career choice for most women
- 00:34:55 Neil Herbert: Probably influenced by Covid back in Feb
- 00:35:03 Leonora RITTER: Not getting over excited about rational reasons for voting. Reasonably well educated friend going to vote Green because candidate smiles more than the others!
- 00:36:09 Maureen Corbett: Woman don't see any change possible as whatever happens we have to put up with a man.
- 00:36:31 Cate Cooper: Isn't it weird that people think the jobs wage growth / unemployment and interest rates are controlled by the government?
- 00:36:55 Di Wykes: Agree @Cate
- 00:37:07 Janet Hunt: Is there a gender difference in relation to care economy data?
- 00:37:23 Jo Barkworth: Wages are controlled when comes to public service. Has a knock-on effect
- 00:37:27 Robert Calvert: Cate the myth is peddled shamelessly by the right
- 00:37:36 Sarah Julien: influenced by - not directly controlled
- 00:37:40 Angelika Heurich: Believe most of these are affected to some degree by policy decisions, Cate
- 00:37:44 Jo Barkworth: Been strictly controlled for years under LNP
- 00:37:48 Cate Cooper: if only we had better Civics education in schools
- 00:38:03 Brendan Mahony: Not weird at all, the government definitely control interest rates (RBA), high unemployment is a clear public policy aimed at keeping wage low
- 00:38:09 Kevin O'Dea: Libs have always been patronising towards our Pacific neighbours, they cut the aid early on, they have dismissed their concerns re climate change. Solomons switch to China is an inevitable outcome.
- 00:38:11 Robert Calvert: couldn't agree more
- 00:38:11 Jo Barkworth: VERY controlled in APS
- 00:38:14 Shirley Leitch: The jobseeker rate has a direct impact on wage rates for large numbers of workers
- 00:38:20 Russell Johnstone: Cate, how many of us understand how are Federation works? Laura Tingle's Quarterly Essays should be compulsory reading....

- 00:38:28 Michael Cowan: The economic management argument is also prosecuted in hindsight.
- 00:38:29 Cate Cooper: Which is lacking in the LNP Angelika
- 00:38:42 Leonora RITTER: Agree Cate - we have chaplains in schools, civics education at least as important...
- 00:38:56 Angelika Heurich: True, Cate
- 00:38:59 Cate Cooper: RBA is independent from Government Brendan
- 00:39:10 Jo Barkworth: esp as people STILL don't kn
- 00:39:34 Jo Barkworth: don't know how preferential voting works
- 00:39:35 Brendan Mahony: Interesting the different characterisations of Government 😊
- 00:40:31 Cate Cooper: Exactly Jo! We can decide our own preferences. I think How To Vote cards should be illegal
- 00:41:23 Sarah Julien: I like the how to vote cards as they help me know which parties are connected
- 00:41:27 Paul Loring: This video about How to use Preferential voting is well worth watching and sharing widely <https://www.youtube.com/watch?v=bleyX4oMCgM>
- 00:41:48 Robert Calvert: Labor cares....problem is the electorate cares less
- 00:41:51 Cate Cooper: Thanks for the link!
- 00:41:55 Jo Barkworth: Although I know they make a difference and us being at the booths makes a difference, I would rather there was no parties/candidates allowed at booths.
- 00:42:09 Leonora RITTER: I actually wonder if campaigning should be illegal. What if an election immediately followed the announcement and people voted on records rather than spin?
- 00:42:10 Steve Blume: RBA "independent" . . . 🤔😬😱 Look at those appointed. LNP in power for 19 of last 25 years. The rate still being at .1% when the market is pricing in 3% by 2023 & the long media silence from the Chair is telling.
- 00:42:14 Tony Miller: Cate in Tassie State Elections they are
- 00:43:08 Brendan Mahony: RBA independence is on the Pontius Pilate scale of hand washing
- 00:43:34 Jo Barkworth: An opposition doesn't have a record, but maybe they should just have to list in black and white their top 20 policies
- 00:43:43 Jo Barkworth: All parties
- 00:43:58 Eric Hunter: Can Pete tell us how much impact will the early voting numbers, expected to be the largest on record, might impact on the accuracy of current poll predictions?
- 00:44:05 Cate Cooper: Agree with both your points Jo

- 00:44:10 Neil Herbert: Labor's policy platform can easily be googled
- 00:44:15 Bill O'Connell: But he has Murdoch and the Nine media helping him
- 00:44:28 Jane Nicholls: The rolling combine harvester spouting messages is spot on.
- 00:44:33 Jo Barkworth: And Greens 😊
- 00:44:39 Brendan Mahony: Mass media advertising is too effective to allow to continue
- 00:44:51 Alan Coligado: Morrison's record should negate whatever strengths he has as a campaigner.
- 00:45:21 Julie Grint: Lets just list all of Morrison's FAILs!!
- 00:45:28 Leonora RITTER: Good point, Jo, but an Opposition could be judged on positions taken in debates and policy without spin?
- 00:45:34 Julie Grint: Vaccine Fail
- 00:45:39 Neil Herbert: <https://www.alp.org.au/policies/>
- 00:45:42 Julie Grint: Quarantine Fail
- 00:45:46 Steve Blume: Why is Labor modelling & reacting to the Presidential chest-banging campaign? As others have said Labor has a superior front bench, especially the women, the Labor pitch should be as a team. Albo should take at least 2 days a week off & have the female ministers, but all eventually, carry all media.
- 00:45:57 Vince Taranto: Integrity fail
- 00:46:03 Julie Grint: Universities & International Students Fail
- 00:46:09 Julie Grint: Tourism Fail
- 00:46:18 Jo Barkworth: Sadly, ALP have mostly voted with the Government...
- 00:46:18 Cate Cooper: Women Fail
- 00:46:21 Leonora RITTER: Women outside Parliament House fail
- 00:46:22 Sarah Julien: I would like to see lies considered false advertising and banned
- 00:46:25 Neil Herbert: @Steve - agree that shadow ministry should be more used.
- 00:46:25 Cate Cooper: Aged care Fail
- 00:46:33 Maureen Corbett: Hospitals fail
- 00:46:33 Russell Johnstone: Not a combine harvester, but more like a fire hose drowning everyone in liquid cow poo
- 00:46:36 Vince Taranto: Progressive taxation fail
- 00:46:42 Julie Grint: Australians stranded OS fail. Still stranded btw
- 00:46:56 Jo Barkworth: Agree Russell
- 00:47:02 Cate Cooper: Solomon Islands and China Fail

- 00:47:08 Claire Bettington: How can anyone with such a rotten record of total incompetence on almost everything still expect to be elected? It's staggering!!
- 00:47:17 Robert Calvert: Combine harvester....grim reaper!
- 00:47:36 Jo Barkworth: Floods fail
- 00:47:37 Lindsay FERGUSON: Morality, integrity, strategy, forward planning, courage - bloody big FAIL
- 00:47:37 Vince Taranto: Leppington Triangle fail
- 00:47:43 Vicki Hildebrand: I'd love to see debates on different policy areas between govt ministers and their counterparts in the shadow ministerial positions
- 00:47:51 Julie Grint: Childcare Fail
- 00:47:52 Darryl Fallow: So many fails - the Coalition does not deserve to be governing.
- 00:47:55 NICOLA CARD: Climate action blocker, fossil fuel supporter and benefactor
- 00:48:00 Les Winton: Total government fail!
- 00:48:01 Cate Cooper: Nice Idea Vicki
- 00:48:05 Leonora RITTER: Australian tolerance of incompetence is frighteningly staggering?
- 00:48:13 Julie Grint: Defrauding the Commonwealth by Ministers
- 00:48:14 Vince Taranto: Climate fail
- 00:48:29 Cate Cooper: Truth Fail
- 00:48:41 Jo Barkworth: Definitely, Vince and Cate
- 00:48:41 Eric Hunter: Claire. It's because we are a conservative, unimaginative country by and large and afraid of change.
- 00:48:46 Julie Grint: Fraud whitewashed by calling them "rorts".
- 00:49:05 Vince Taranto: Bushfire / flood fail
- 00:49:34 Marcus Adamson: Well said, Steve B. Labor are not utilising their women well enough, while Collins was excellent yesterday at the Press Club against Littleproud. Yes, where the hell is Keneally and also too, Plibersek?
- 00:49:39 Julie Grint: #Morrisonisa Failure
- 00:49:39 Keith Johnson: Whole of Government FAIL.
- 00:49:47 Alan Coligado: Aged care fail.
- 00:49:49 Julie Grint: #LNPD disgrace
- 00:49:54 Julie Grint: #LNPFailure
- 00:49:59 Russell Johnstone: Democracy under pressure across the globe....are we also heading toward autocracy?

- 00:50:00 Darryl Fallow: Agree about the double pox on major parties!
- 00:50:50 Vince Taranto: Porter "blind trust" fail
- 00:50:59 Angelika Heurich: I really can't see Morrison being capable of negotiating with cross benchers in a minority/hung parliament situation.
- 00:51:27 Neil Herbert: \*nods\*
- 00:51:59 Tony Simons: Like Abbott and his big feet on the table "negotiating" with Windsor and Oakshot
- 00:52:15 Richard Tuffin: as always, Kathrine speaks the truth here about why the press are mostly covering the major parties
- 00:52:52 Maureen Corbett: Morrison is not a valid candidate as he takes his instructions from a God who seems to have no objection to humanity becoming extinct!
- 00:52:53 Robert Calvert: Angelika....the Teal independents are largely disaffected conservatives so it leaves that a real possibility
- 00:52:55 Marcus Adamson: He has said he won't Angelika, but then he will of course (as with Abbott) if it means him staying in government.
- 00:53:03 Jo Barkworth: BIG question. Where are we all going if Morrison gets in again??
- 00:53:23 Alan Coligado: NZ.
- 00:53:31 Darryl Fallow: @Angelika - Morrison is said "No deals" - but I agree, I can't see him negotiating in a hung parliament. His approach is largely my way or the highway.
- 00:53:34 Bill Ronald: How does 2PP line up with "winning seats". Surely with the Teal candidates the total seats not 2PP will be the determinant?
- 00:53:48 Angelika Heurich: Possibly, Robert, but only if Morrison was willing to accede to the calls for climate policy, integrity etc etc
- 00:53:58 Robert Calvert: Alan just get Adhern to move here
- 00:54:00 Tony Miller: To T. Simmons. I loved it when Oakshot made the Media wait as he had agreed with Windsor that he should make the announcement.
- 00:54:01 Bill & Mary Bush: Peter Martin in today's CT reports Melbourne Uni Research that the rate of inflation and rate of unemployment are the two economic variables that have predicted federal election results since 1901 and thus predict a Coalition victory. What is your take?
- 00:54:01 Russell Johnstone: Ouch Maureen!
- 00:54:47 Vicki Hildebrand: He just can't get in again...I have more faith in the electorate than that. Instead of listing fails we should list successes...I'll start...ummmm....
- 00:54:57 Maureen Corbett: If the media gave more time to the independents and minor parties the electorate would start to understand the preferential system and the importance and effectiveness of small party/independent presence in Gov.

00:54:59 Leonora RITTER: No Labor candidate nominated yet in Calare, but an impressive independent in Cate Hook. I think Independent positions on climate and integrity mark them as significantly out of step with current LNP.

00:55:06 Isabel Prone: agree Maureen

00:55:41 Maureen Corbett: Sorry. I was serious. I apologise!

00:55:49 Jo Barkworth: Thanks, Kathryn

00:55:58 Elizabeth robinson: Totally agree with the Greens

00:56:11 Cate Cooper: I'm a Greenie

00:56:28 Elizabeth robinson: Me too!

00:56:37 John Linn: Doorknocking for Greens. Dental and Mental Health really resonating.

00:56:45 Darryl Fallow: Impressed with Adam Bandt at the Press Club - we need to discuss policy more.

00:57:06 Maureen Corbett: Jackie is not a candidate

00:57:14 Cate Cooper: That's great to hear John

00:57:28 Jo Barkworth: Absolutely. Journos asking non-questions should be banend

00:57:32 Jo Barkworth: banned

00:57:49 John Linn: Grass roots campaigning seems to impress people in my experience.

00:58:08 Cate Cooper: And the greens should be in the leaders debate

00:58:09 Angelika Heurich: It's very powerful, John

00:58:26 jennifer manson: It would be a great pity of Xenophon's return means the loss of Rex Patrick, as he's spoken up about some really important national issues.

00:58:26 Steve Blume: The Independents could not do a deal with LNP. But as happened in 2010-2013 they need not form any coalition with Labor. They need only to guarantee supply (Budget) and then insist on their top five issues climate change , integrity etc at the top. They each have a permanent conscience vote on all other matters. In effect they could make Labor do what Labor supporters want them to do! They are far removed from Nationals/ QldLNP.

00:58:43 John Linn: agree Jennifer

00:58:48 Alistair McCulloch: I think Senator Rex is much better than was Xenophon (although I had a lot of time for Nick) and fear he will lose because of the latter's entry to the scene.

00:59:02 Russell Johnstone: Agree Alistair

00:59:10 Jo Barkworth: If we don't fix climate change, nothing else matters!

00:59:13 Stephen Pritchard: The combination of Greens with some Teals in the new parliament (hopefully) could be a new 'force for good' in taking action to address climate change.

00:59:23 Cate Cooper: That's the truth Jo

00:59:24 Marcus Adamson: To quote Keating, "God help us" if PHON get the balance of power in the "unrepresentative swill" house!

00:59:24 Isabel Prone: agreed Jo

00:59:25 Darryl Fallow: Steve Blume - Agree with your sentiments absolutely!!

00:59:42 Steve Blume: Greens sit at around 10% nationally after 30 years. Hit 16% in 2007 high point. They should focus on Senate seats.

00:59:44 Elizabeth robinson: Agree Jo.

00:59:45 Russell Johnstone: Green vote with young voters may make a huge difference?

00:59:47 Robert Calvert: RexPatrick has been a voice of reason and ethics

01:00:17 Jo Barkworth: Xenophon has had his day

01:00:19 Cate Cooper: rex Patrick is definitely #1 on FoI requests

01:00:36 Anne Heard: Queries came from Alan "nuclear" Finkel about Labor's costs.....

01:00:53 Darryl Fallow: Rex Patrick is good value - I can't vote for him, but I hope he is returned.

01:01:04 Kenneth Duffield: The Greens might be nice people but they're terrible politicians. Our Climate change position is down to their righteousness.

01:01:17 Steve Blume: Note that an unchanged Labor could easily see independents run successfully in its seats too in a future election.

01:01:23 Robert Calvert: power prices are already surging due to manipulation by the coal powered stations, plus their unreliability

01:01:42 Darryl Fallow: YES to anyone who will do anything on vehicle emission standards!!

01:02:00 Russell Johnstone: "all models are wrong....some are useful"

01:02:02 Jo Barkworth: and gas prices hardly delivering lower prices as promised.....

01:02:03 Anne Heard: And yet, there remains the cost of doing nothing.

01:02:31 Cate Cooper: The biggest cost of all Anne

01:02:34 Steve Blume: <https://theconversation.com/australians-could-have-saved-over-1-billion-in-fuel-if-car-emissions-standards-were-introduced-3-years-ago-117190>

01:02:37 Darryl Fallow: @Robert Calvert - Electricity prices also rising due to use of gas and rising gas prices on world markets

01:02:49 Robert Calvert: Anne ...yes greater than anything

01:03:07 Pamela Collett: Greens are doing very well as administrators and politicians in the ACT

01:03:42 Robert Calvert: Darryl yes more gas because coal is both failing and also manipulated

- 01:03:54 Marion Jacka: So terrible it is not an issues election-next few years are so crucial especially in relation to climate change.
- 01:03:55 Cate Cooper: If only Labor would end it's support for Fossil Feuls
- 01:03:57 Steve Blume: <https://johnmenadue.com/privatisation-and-the-hollowing-out-of-medicare/>
- 01:04:02 Cate Cooper: \*fuels
- 01:04:17 Russell Johnstone: Exactly how I feel Peter....
- 01:04:26 John Linn: mobilise peeps every conversation counts
- 01:04:33 Anne Heard: \* fools, Cate.
- 01:04:33 jennifer manson: Sorry PC. Disagree completely, as they appear to be controlled by the right wing Labor chief minister
- 01:04:47 Claire Bettington: It's a real rollercoaster - my emotions are alternately elated & depressed.
- 01:04:55 Robert Delves: Greens carbon package agreement with Gillard was brilliant - involved compromises but all parties worked well to create a sensible bill
- 01:04:56 Pauline Brown: I hope you're advising Labor Peter!
- 01:05:05 Pamela Collett: Check out their record. Lots of info about what they are achieving even when there is disagreement with Labor
- 01:06:12 Paul Loring: If you want friends and others to think about how to vote, get them to watch this video, it is very funny and demonstrates how humour can often inform <https://www.youtube.com/watch?v=bleyX4oMCgM>
- 01:06:16 Alan Coligado: It seems unfair that all that has happened (or not) over the past 3 years at least gets thrown out the narrow window of an election campaign.
- 01:06:38 Eric Hunter: The old line is "How much wood does a woodchuck chuck"
- 01:06:55 Russell Johnstone: Is the Trans in sports issue one that is from a US playbook?
- 01:07:19 Cate Cooper: Targeting your suburban Netball players in seats other than Warringah?
- 01:07:21 Stephen Pritchard: Cate Cooper - you are so right about Labor's support for fossil fools (oops! - fuels).
- 01:07:24 Anne Heard: Leave these folks alone! Tiny numbers and entitled to privacy. I was knocked over by many very large females on the netball court...
- 01:07:30 Pamela Collett: Greens are the ethical alternative to get money out of politics
- 01:07:49 Elizabeth robinson: Agree Pamela
- 01:07:49 Cate Cooper: For sure Pamela

01:07:50 Russell Johnstone: Thought to be a way of wedging the entire debate about gender...including same sex marriage

01:07:57 Steve Blume: [https://en.m.wikipedia.org/wiki/Junior\\_Woodchucks](https://en.m.wikipedia.org/wiki/Junior_Woodchucks)

01:08:07 Michael Cowan:The SBS "Insight": program had transwomen sports as the issue last night.

01:08:11 Shaz Gerchow: Trans people, please. Not just "trans"

01:08:12 Claire Bettington: He really is a POS.

01:08:41 Leonora RITTER: Good response from Zali that sports all have their own governing bodies and this isn't really a Federal Government issue.

01:08:48 Russell Johnstone: Apologies Shaz

01:08:58 Anne Heard: Of course he backs off, KM. It's only about votes.

01:09:00 Cate Cooper: Yes, Leonora

01:09:21 Graeme Tychsen: Threshold is that federal ALP needs someone like the new SA Premier. There are many Australians for whom the 21 result will not matter. See Richard Denniss.

01:09:52 Jake Wishart: Yes Shaz "trans people" or "trans people's rights" would be good, not just "trans" thanks.

01:09:56 Cate Cooper: Malinukas is/was pre fossil fuels
